4.7. Information.

(a) The Company acknowledges that true, accurate and complete copies of the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2024, and Quarterly Reports on Form 10-Q for the quarter ended June 30, 2024 (the "SEC Documents") are on file at www.sec.gov. None of the SEC Documents nor any other form, statement, notice, report, or document filed by the Company with the SEC prior to the date hereof contained, as of their respective dates, any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements contained therein not misleading.

(b) The Company acknowledges that nothing has occurred with respect to which the Company would be required to file any report on Form 8-K. Between and until the Closing, the Company will provide to the Investor copies of any and all reports filed by the Company with the SEC and any and all reports or notices delivered to the stockholders of the Company concurrently with the filing or delivery thereof.

(c) The shares of the Common Stock are listed and traded on the NYSE-American.

4.8. Financial Statements.

The balance sheets, and statements of operations, cash flows and shareholders' equity contained in the SEC Documents have been prepared in accordance with generally accepted accounting principles applied on a basis consistent with prior periods (and, in the case of unaudited financial information, on a basis consistent with year-end audits). No representation or warranty by the Company herein and no information disclosed in the disclosure schedules and exhibits hereto by the Company contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained herein or therein not misleading.

5. Covenants.

5.1. NYSE AMERICAN.

Pursuant to exemptions, set out in the NYSE American company handbook, in no event shall the Company be obligated to issue a number of Shares under this Agreement equal to more than 19.9% of its outstanding shares of Common Stock, determined immediately prior to the Closing, and the Company agrees not to issue shares of Common Stock in any other related transaction or series of transactions (whether an additional financing or an acquisition transaction in consideration, in whole or part, for Common Stock) that would be integrated herewith and counted together so as to exceed such threshold.

6. Piggy-Back Registration Rights.

6.1. Participation in Registrations.

Subject to Section 6.2 and the other provisions of this Section 6, if the Company shall determine to register any Common Stock pursuant to the Securities Act, the Company will use its best efforts to include in such registration such number of Shares as it reasonably believes (or, if such offering shall be an underwritten public offering of securities, as the underwriter (the "Underwriter") advises the Company in writing) can be sold in such offering without adversely affecting its (or the Underwriter's) ability to effect an orderly distribution of such securities (the "Registrable Shares").

6.2. Underwritten Offerings.

In the event a registration giving rise to the Investor's rights pursuant to Section 6.1 relates to an underwritten offering of securities, the Investor's right to registration pursuant to Section shall be conditioned upon its (a) participation in such underwriting, (b) inclusion of the Registrable Shares therein and (c) execution of all Underwriting Documents requested by the Underwriter with respect thereto. In the event the Underwriter determines that the aggregate number of shares proposed for inclusion in such offering (the "Aggregate Amount") exceeds the number of shares that it would be advisable to include in such offering (the "Recommended Amount"), the number of Registrable Shares may be reduced on a pro rata basis by the Company to the extent necessary to bring the Aggregate Amount down to the Recommended Amount.

6.3.Expenses.

The Company shall bear all of the expenses incurred in connection with an offering of the type described in this Section 6, including, without limitation, SEC filing fees and the fees (up to a maximum aggregate amount of \$2,500) of separate counsel retained with respect thereto by the Investor.

6.4.Indemnification.

The Company and the Investor will indemnify the other party hereto against all claims, losses, damages and liabilities (or actions in respect thereof) arising out of or based on any untrue statement (or alleged untrue statement) of a material fact contained in any prospectus or other document (including any related registration statement, notification or the like) incident to any registration of the type described in Section 6.1, or any omission (or alleged omission) to state in any such document a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse such indemnified party for any legal and any other expenses reasonably incurred in connection with investigating and defending any such claim, loss, damage, liability or action, provided that no party will be eligible for indemnification hereunder to the extent that any such claim, loss, damage, liability or expense arises out of or is based on any untrue statement or omission based upon written information furnished by such party for use in connection with such registration.

6.5.Cooperation by Holder.

The Investor shall furnish to the Company or the Underwriter, as applicable, such information regarding the Investor and the distribution proposed by it as the Company may reasonably request in connection with any registration or offering referred to in this Section 6. The Investor shall cooperate as reasonably requested by the Company in connection with the preparation of the registration statement with respect to such registration, and for so long as the Company is obligated to file and keep effective such registration statement, shall provide to the Company, in writing, for use in the registration statement, all such information regarding the Investor and its plan of distribution of the Shares included in such registration as may be reasonably necessary to enable the Company to prepare such registration statement, to maintain the currency and effectiveness thereof and otherwise to comply with all applicable requirements of law in connection therewith.

6.6.Excluded Offerings.

The Investor's rights pursuant to Section 6.1 shall not apply to any registrations on any registration form which does not permit secondary sales or does not include substantially the same information as would be required to be included in a registration statement covering the offering and sale of the Shares. Moreover, the rights described in Section 6.1 shall not be available to the Investor if, in the opinion of counsel to the Company, all of the Shares then held by the Investor could be sold without registration in a transaction complying with Rule 144 under the Securities Act.

7. Transfer Restrictions.

7.1. Securities Act Restrictions.

Notwithstanding anything to the contrary in this Agreement, the Investor shall not Transfer any of the Shares unless and until the Company has received an opinion of counsel reasonably satisfactory to it that the Shares may be sold pursuant to an exemption from registration under the Securities Act, the availability of which is established to the reasonable satisfaction of the Company, or a registration statement relating to the Shares has been filed by the Company and declared effective by the SEC.

7.2. Restrictions in Connection with Underwritten Offerings.

Notwithstanding anything to the contrary in this Agreement, the Investor shall not Transfer any of the Shares for such time before or following the effective date of a registration statement with respect to a public offering of securities of the Company as shall be reasonably requested by an underwriter of such securities and agreed to by the Company.

7.3. Non-Compliant Transfers.

Any Transfer or purported Transfer of Shares made in violation of the provisions of this Section 7 shall be null and void and without effect.
